2012 CSA Agreement

CSA (Community Supported Agriculture) connects people to their local food source. By becoming a CSA member, you are sharing in the seasonal risk and bounty of your local farm. Your membership helps to pay for the early season costs of farming: seed, water, labor, equipment, and materials. Our dedication to providing you with top quality seasonal produce puts the freshest possible local food on your table every week. And in the process CSA membership can be lots of fun! Attend farm work days and get your hands in the dirt while learning too. Bring your family and friends to see the farm when you pick up your share. Take advantage of our seasonal u-pick opportunities. Take pride in knowing that you are part of Aspen Moon Farm!
