Farm Stand & Market Manager 2025

Farm work is good, hard teamwork. Do you like to be challenged and physically active? Do you value working outside? Can you commit to a full season or longer because it's the best thing for the Farm? Do you enjoy customer service and creating eye-catching product displays? Come work with a great team on a diversified Organic vegetable farm selling high-quality produce, fresh flowers, berries, herbs, and starter plants at a farm stand, two farmers markets, and a large CSA. Please visit www.aspenmoonfarm.com for more information about Aspen Moon Farm.

Job Description:

- Manage our Farm Stand: Daily set up, closing, customer service, and sales
- Create displays and maintain proper temperature/moisture levels for spring starter plants, greens, roots, fruits, storage crops, and dry goods.
- Stock, track, and manage vegetable inventory from the Packhouse and additional product inventory from other vendors
- CSA share distribution and troubleshooting at Farm Stand
- Farmers Markets: Longmont or Boulder on Saturdays
- Prepare, pack, and drive market trucks (must have clean driving record)
- Lead crew in any of the above areas
- Record-keeping, planning, and preparing
- Flexible teamwork: Work and communicate well with our team to keep the whole farm organism running smoothly, including flexibility to jump in where/when needed, such as Flowers & Packhouse

Schedule & Compensation:

April - November/December, Tue-Sat. **\$20-\$22/hr** DOE + staff veggies. **Experience required.** 40-55 hours/week depending on season and farm needs, with OT pay over 40. That's right - you get time-and-a-half pay for all hours over 40!

Benefits: Bonus pay twice during the season for all full-time, full-season staff in their second year of employment at Aspen Moon! You'll earn 1 hour bonus pay for every 40 hours worked. Sick pay for all staff. Innovative training program for all staff. Collaborative working group with a local facilitator so your voice can always be heard.

We are proud members of the Fair Food Program (FFP), protecting and advocating for good healthy working conditions for agriculture workers across the nation.
