

Greenhouse & Harvest Manager 2025

Farm work is good, hard teamwork. Do you like to be challenged and physically active in all weather? Do you value working outside in the soil? Can you commit to a full season or longer because it's the best thing for the Farm? Do you have an eagle eye for tending baby plants? Do you enjoy fast-paced management that's never boring? Come work with a great team on a diversified Organic vegetable farm growing high-quality produce, fresh flowers, berries, herbs, and starter plants for two farmers markets, a large CSA, and a farm stand. Please visit www.aspenmoonfarm.com for more information about Aspen Moon Farm.

Job Description:

- Spring greenhouse work: robust Spring growing 30,000 certified Organic starter plants for local gardeners plus plants for the Farm - seeding, pot-up, irrigation, fertility, IPM
- Run daily harvests, train/manage crew, ensure food safety
- Field work (harvest, transplant, and weed crops)
- Farmers Markets- Longmont or Boulder on Saturdays
- Prepare, pack, and drive market trucks
- Lead crews in all of the above areas
- Record-keeping, planning, and preparing
- Bilingual preferred
- Flexible teamwork: Work and communicate well with our team to keep the whole farm organism running smoothly, including flexibility to jump in where/when needed, like Packhouse or Farm Stand

Schedule & Compensation:

March - November/December, Tue-Sat (May be Mon-Fri early season based on farm needs). **\$20-\$22/hr DOE** + staff veggies. **Greenhouse/farm experience required.** 40-55 hours/week depending on season and farm needs, with OT pay over 40. That's right - you get time-and-a-half pay for all hours over 40!

Benefits: Bonus pay twice during the season for all full-time, full-season staff in their second year of employment at Aspen Moon! You'll earn 1 hour bonus pay for every 40 hours worked. Sick pay for all staff. Innovative training program for all staff. Collaborative working group with a local facilitator so your voice can always be heard.

We are proud members of the Fair Food Program (FFP), protecting and advocating for good healthy working conditions for agriculture workers across the nation.
