

Crop	Variety	Price/pkt	days to maturity	planting depth	planting space	planting date	description
Flower	Corn Cockle (<i>Agrostemma Githago</i>) 'Purple Queen'	\$3.00	95	1/4"	4"	8 weeks before last frost	Beautiful magenta shell-like flowers on tall waving stems. Very productive.
Flower	Baby's Breath (<i>Gypsophila</i>) 'Covent Garden'	\$3.00	50	1/4"	2"	8 weeks before last frost	Not the tight, rigid blossoms from the grocery store - these are delicate, bright white, airy accent flowers.
Flower	Bells of Ireland (<i>Moluccella Laevis</i>) 'Bells of Ireland'	\$3.00	100	1/4"	6"	8 weeks before last frost	From your grandmother's garden, tall spikes of green with myriad bell-shaped bracts housing tiny pink whale-tail shaped flowers.
Flower	Blanket Flower (<i>Gaillardia Pulchella</i>) 'Lorenziana'	\$3.00	100	1/4"	6"	6 weeks before last frost	A stunning selection of warm colors, double-flowered variety with rich fluffy blooms; create a hedge of flowers from June - frost.
Flower	Hare's Ear (<i>Bupleurum Griffithii</i>) 'Green Gold'	\$3.00	85	1/4"	3"	8 weeks before last frost	A magnificent foliage with stature and bright chartreuse flower heads. Prolific; will self-seed.
Flower	Honeywort (<i>Cerinthe Major</i>) 'Kiwi Blue'	\$3.00	65	1"	6"	6 weeks before last frost	A magical foliage with drooping purple flowers that attract many pollinators. Easy to grow.
Flower	Cress (<i>Lepidium Sativum</i>) 'Persian'	\$3.00	100	1/4"	2"	8 weeks before last frost	An airy plant grown for its stiff ornamental seed pods. Can be dried for everlasting use.
Flower	Flowering Tobacco (<i>Nicotiana Grandiflora</i>) 'Grandiflora'	\$3.00	80	Very shallow	6"	2 weeks before last frost	Big, elegant flowers that emit a jasmine-like scent in the morning and at dusk.
Flower	Starflower (<i>Scabiosa Stellata</i>) 'Sternkugel'	\$3.00	75	1/2"	6"	4 weeks before last frost	Delightful seed pods that look like paper moons or tiny soccer balls.
Flower	Rudbeckia (<i>Rudbeckia Hirta</i>) 'Cherokee Mix'	\$3.00	120	Very shallow	12"	8 weeks before last frost	Rust and apricot-colored blooms in traditional black-eyed susan shapes with many doubles and bicolors. Perennial.
Flower	Safflower (<i>Carthamus Tinctorius</i>) 'Superior Orange'	\$3.00	75	1/2"	2"	8 weeks before last frost	A fantastic foliage plant that produces orange mohawk-like flowers.
